

ALMOND series

De formas suaves y redondeadas, la serie Almond transmite su esencia icónica, casi escultural, para hacer de tu baño un espacio único en el que belleza formal y ergonomía van de la mano.

Fabricada en KRION®, presenta elementos freestanding en la opción de bañera y lavabo a suelo, y ahora se completa, con la opción de lavabo de semi-encastre.

With its gentle rounded shapes, the Almond series has an almost sculptural appeal, perfect for creating unique bathrooms that stand out for their formal beauty and ergonomics.

In addition to a free-standing bathtub and washbasin, this KRION™ series now features a semi-recessed washbasin.

Les formes douces et arrondies d'Almond transmettent l'essence iconique, presque sculpturale de cette série pour faire de votre salle de bains un espace unique réunissant beauté formelle et ergonomie.

Fabriquée en KRION®, elle se compose de baignoires et de lavabos freestanding à poser sur le sol et est désormais complétée par des lavabos semi-encastés.
