FROM NATURE

MOSAICS

Stone, wood, metal, or glass are some of the materials that make up the new L'Antic Colonial mosaics. Shapes and designs that are capable of surprising, unique combinations that provide flashes of elegance, and natural materials that give these products a qualitative leap.

Piedra, madera, metal o vidrio son algunos de los materiales que componen los nuevos mosaicos de L'Antic Colonial. Formas y diseños capaces de sorprender, combinaciones únicas que aportan destellos de elegancia y materiales naturales que otorgan un salto cualitativo a estos productos.

A low-angle photograph of a dense forest. The trees are tall and slender, reaching towards the top of the frame. Sunlight filters through the canopy, creating a bright, hazy glow in the upper center. The overall color palette is dominated by greens and browns, with a strong contrast between the dark trunks and the bright light.
